Tina:

I have attached three items. The first two should be the private firms assumed to be eligible for a general variance. The third attachment is the public list I have, but Paul L. may have a better and more up to date list.

Paul and Jeff,

I was hoping to get a list of the 107 POTWS and 51 private sector facilities that are considered eligible for a general variance. For the private sector, Appendix B of the economic demonstration contains a list of the many (all?) of the facilities but I was hoping to get an Excel / word copy of the table so I extract the relevant information that I need. For the public sector, the demonstration contains a subset of the facilities but not all of them.

Could you guys please email me that information?

Feel free to call with any questions.

Thanks!
